# FLOWERING CABBAGE & KALE

Bringing brilliant color to borders, containers, or entire plantings, flowering cabbage and kale are the perfect fall season extender. It's hard to imagine a hardier landscape plant, as it can endure repeated freezes and thaws. Our Flowering Cabbage and Kale will keep you in color until the snow flies!

**Note:** Plants are shipped predominantly green and will color up when exposed to enough cold temperatures.

## COLORS

**Please Note:** This is only a portion of the colors available. The complete listing can be found in the order form.

# ANNUAL & PERENNIAL

Available in a brilliant array of colors, Jolly Farmer's fall program offers a perfect, low cost solution to rejuvenate tired hangers, containers, or beds after the worst of the summer's heat. Chosen for their cold hardiness, our selection includes pansies, viola, dianthus, rudbeckia and dusty miller.

## COLORS

We have plenty of traditional fall colors (reds, yellows and oranges) complemented with the always popular shades of blue.

## SIZES

- Quart Pot
- 8.5 inch Pot
