Have a wonderful summer!
By David Keeler - Finished Product Sales

Dear Customer:

By the time this catalog reaches you, the Spring season will be coming to a close. We sincerely hope it has been a great season for you, and that you can now have some time to relax, spend time with family and friends, and re-group for the next season.

Included in this catalog are a few new items...quart Gaillardia and Calibrachoa, 10" Combination Planters, and 10" Pansy Hangers. We've also responded to the need for more cost effective alternatives to our huge 10" and half bushel mums from past years. Look for our new 10" pot, and our 12" pot to replace the 14" Cedar half bushel. They will give you generous size and lots of color, without "breaking the bank" in freight costs!

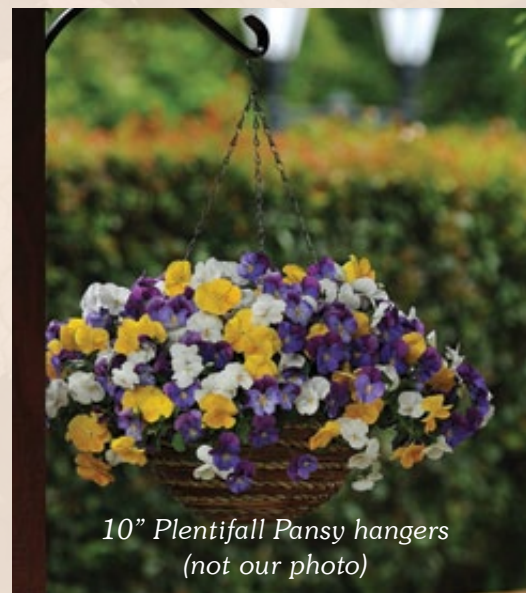

So we encourage you to look through this catalog, noting the wide range of products and sizes available. Using your summary from 2010 (included in your packet), make any necessary changes to timing our quantities, and add any new products that will enhance your fall customers' experience, and send it back to us. We'll set it aside for you.

Then, go ahead and have a wonderful summer!

Regards,

David
