

# serving growers

## ACROSS NORTH AMERICA

As growers of high quality young plants from seed and vegetative materials, we're uniquely positioned to accommodate the needs of small to mid-sized operations. Here's why...

55  
YEARS IN  
BUSINESS!

### LOW MINIMUMS

You can order as little as half a box to meet our minimums

### WE SELL DIRECT

We sell our plants directly, and take full responsibility for the quality of each order.

### PERSONAL ATTENTIVE SERVICE

A service rep is assigned to each customer. You'll talk to a real person every time you call!

### CUSTOM PACKED BOXES

Since each box is custom packed, you can mix and match plugs and liners of various sizes in the same box!

### DEPENDABLE DELIVERIES

We arrange each delivery, using the quickest, most reliable carrier to meet your needs.

### EXTENSIVE DISCOUNTS

We offer significant discounts for volume and early pay, with a 10% discount for early order!

### ENORMOUS LISTING

With more than 2,000 unique varieties offered in multiple tray sizes, you'll have options for every program or budget.

### ALL INCLUSIVE PRICING

Our pricing includes royalties, boxing, and freight for four or more full boxes. Absolutely NO hidden charges!

We invite you to join our growing list of satisfied customers and experience our commitment to integrity, quality, and reliable service.
